**Response Due Date:
September 22, 2008**

Identification Number: C00381517

Reference: July Quarterly Report (4/1/08-6/30/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 items:

1. The beginning cash balance of this report should equal the ending balance of your 2008 April Quarterly Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
2. The totals listed on Lines 7, 21(a)(i), 21(a)(ii), 21(c), 31 and 32, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.
3. Schedule A of your report discloses a receipt(s) of \$5,000.00 from the "DAPAC - NF". Please clarify whether this transfer(s) is from an account maintained by your committee for non-federal activity. If so, be advised that such a transfer is prohibited by 11 CFR §102.5(a)(1)(i) and the full amount of the transfer(s) should be returned to the non-federal account. Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out. In addition, the transfer-out should be disclosed on Schedule B supporting Line 22 of your next report.

If this transaction represents an "internal transfer" of funds from one federal account to another, and the source(s) of such funds has been identified in previous reports of receipts and disbursements, please note that such transfers should not be itemized as doing so inflates total receipts and cash on hand. If this is the case, please amend your report accordingly.

Although the Commission may take further legal action regarding the acceptance of funds from a non-federal account, your prompt transfer-out of the impermissible funds or clarification of the transaction, will be taken into consideration.

4. Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. For State, District and Local party committees, Schedule H1 must be filed in the first report each calendar year that discloses an allocable disbursement and for Separate Segregated Funds and Non-connected committees, in each report that discloses an allocable disbursement for administrative expenses, generic voter drives or public communications that refer to any political party, but do not refer to any clearly identified candidates.

Further, for State, District and Local party committees, all shared administrative, generic voter drive and exempt activity costs incurred during the two-year cycle must be allocated according to the appropriate fixed ratio, unless the federal account elects to pay a higher percentage of its cost. For Separate Segregated Funds and Non-connected committees, administrative expenses, generic voter drive costs and expenses related to public communications referencing any political party committee (but no clearly identified candidates) must be allocated according to a 50% flat minimum federal percentage unless the federal account elects to pay a higher cost. 11 CFR §106.7(d)(2), (d)(3) and 11 CFR §§104.10(b)(1) and 106.6(c)

5. Schedule H4 supporting Line 21(a) of your report discloses \$667.85 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action

will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.
